- Plan B – Year 13 and 14 full time with one week in school, one week home learning other year groups with possibility Year 12 may also be in all the time (This plan is what we are working with at the moment under the 1 metre rule but of course this can change)

We will be in touch in mid - August to let you know which plan we will be following and more detail then, depending on situation at that time. Canteen will be functioning from 24th August on with provision for break and lunch.

We have no information yet from transport but will hope to have this by mid August. We are hoping this will be available from 24th August on but cannot confirm this yet.
